Subject: Membership Dues Structure

Dear Member:

At the September 23, 2017 annual meeting the ASIA membership voted to make two changes to our current membership dues structure.

First, membership dues for active members were increased from \$120.00 to \$150.00 per year.

Second, the membership voted to have lifetime members who have reached the age of 65 and are still **practicing** be required to pay annual dues of \$120.00. **Practicing** lifetime members are defined as those who are current PTIN holders, prepare income tax returns for compensation and are required to obtain continuing education and ethics hours.

The lifetime members who are no longer practicing will not be required to pay dues, however, they will continue to be on ASIA's membership roll as **non-practicing lifetime members** and will continue to be notified of ASIA activities and events.

Operating and administrative costs continue to increase so after careful review of these costs the membership moved and voted that adjustments were necessary to the dues structure. As you know the membership is the backbone of ASIA and your continued support is appreciated.

Please indicate your status below and return this form with the attached membership renewal form.

Thank you; please feel free to contact me should you have any questions.

Sincerely,

A handwritten signature in cursive script that reads 'Kathy Hammer'.

Kathy Hammer
ASIA President
